

Duties & Responsibilities of the NATIONAL REPRESENTATIVE

Whilst serving as National Representative, the National Representative must **NOT** hold any other elected or appointed IW office, except where the role is combined with that of National President.

- It is essential to be fluent in the Official language, i.e. must be able to read, speak and understand the English language.
- The National Representative or Deputy should endeavour to attend one District meeting per year for each District in a country with no National Body, in order to approve the Minutes. In a country with no National Governing Body, the National Representative is not an elected member of the District Executive Committee and she plays no part in the running of the District.
- Translate or have translated into English complete National Governing Body Minutes [or District Minutes if your country has no National Body] and send copies to International Inner Wheel Headquarters. These Minutes must be forwarded to Headquarters within 6 weeks of any Meeting.
- Translate IIW Governing Body Minutes and any other relevant information into national language and send to each Club and each District Secretary (each Club and each District will receive the Governing Body Minutes in English).
- Information sent from Headquarters, e.g. Executive Committee Minutes should be summarised in her own words and passed to all members within her country. It is essential to ensure that Association/National Council Bodies are kept informed of all the information received from International Inner Wheel.
- The National Representative is the liaison between the International Inner Wheel Governing Body and Clubs, Districts and the National Governing Body (if one exists) in her country. She will ensure all correspondence to and from IIW Governing Body.
- Must notify the International Inner Wheel Administrator of any item they wish to be considered for inclusion on the agenda for Governing Body Meeting not later than 30 days before Governing Body Meeting. (The dates of the meeting are listed in the front of the IIW Directory).
- Sign Charters and pass these on to the District concerned. District Chairman may sign below National Representative. At the Charter Ceremony reads the welcome greetings of the IIW President, if she is not present in person, to the members of the new Inner Wheel Club.
- National Representative must keep her Deputy fully informed.
