

International Day of Persons with Disabilities

3 December 2016, UN Headquarters , New York

Since 1992, the United Nations International Day of Persons with Disabilities (IDPD) has been celebrated annually on 3 December around the world. The theme for this year's international Day was « **Achieving 17 Goals for the Future We want** ». This theme noted the recent adoption of the 17 Sustainable Development Goals (SDGs) and the role of these goals in building a more inclusive and equitable world for persons with disabilities. This year's objectives included assessing the current status of the Convention on the Rights of Persons with Disabilities (CRPD) and SDGs and laying the foundation for a future of greater inclusion for persons with disabilities.

Events at UN Headquarters

Friday, 2 December :

Events were organized by the Department of Economic and Social Affairs (DESA), in collaboration with Member States, the UN system, academic institutions, civil society, disabled persons organizations, and the private sector

- Opening and High-level Panel Discussion on CRPD + 10, including a message from the UN Secretary-General .
- Accessible Cities United : mayors of cities from around the world shared their advances and plans for inclusive, accessible and sustainable cities for all, with special attention to persons with disabilities.
- Accessible Cities for All : this event brought together city leaders, celebrities, practitioners and decision makers to celebrate their successes in reducing inequalities and promoting inclusive development through improving accessibilities in cities.
