

Margarette Golding Award

Dear friends of Inner Wheel,

I am very emotional about receiving the Margarette Golding Award from the hands of our friend Edith van Molhem.

I am infinitely thankful for receiving this outstanding distinction and I will wear it with proud, dedicating it to all the courageous women in Benin, who have to fight every day to support and satisfy the needs of their families.

As privileged women, I personally consider it as our duty to help and support those who are among the poorest people on this planet.

This is one of the reasons for which I am proud to be part of the large Inner Wheel family whose precise objective it is to provide personal service and honest and true friendship.

I would like to express a big „thank you“ to all my Inner Wheel friends as well as to all my friends from our „Aide au Bénin“ association who support our humanitarian projects and missions since many years.

Finally, my thanks go to our friend Edith van Molhem who has proposed me as a candidate for this honorary award.

In friendship

Christiane Nickels
